Tracey Walker School of Dance

19th March 2010

FAO Tracey Walker

Dear Tracey

What can I say? A capacity sell-out show! A marvelous evening's entertainment, and with huge support from the many young talented people of our town and district and from their parents and those like yourself who give some much time to nurturing and guiding their skills.

The event was also an excellent fund raiser for my "Cinderella" charities and if you keep an eye on the Observer you will see that as I am coming to the end of my year as mayor I am starting to distribute the funds to local worthy causes as shown in my calendar for 2010; benefiting the young, older people, those with disabilities and animal rescue. So, you have greatly helped in spreading benefit to many good causes. (I hope to have some left for your own favoured charity too!).

It is always a challenge to open a show on a professional stage and your School did a superb job with 'Consider Yourself' and it set a good tone of friendly good cheer for the evening and for what was to come, I loved the thrill of the close of Act 1 with 'Thriller' - great costumes and make-up so thanks to all those behind the scenes that make that happen. But the performance itself, - a splendid spooky rendition. I hope that all involved in all of your sets enjoyed themselves, - as clearly the audience and I did. Please pass on my thanks and heartfelt appreciation for the great night of entertainment and the support with fund raising for good causes.

Yours sincerely
